From the DC's desk

Hope you all enjoyed the September camp - all parents and riders should be congratulated for a terrific coordinated effort. Riders ready on time - even before all the instructors arrived! There were generous donations of food provided by all and special mention to Lyndie Ritson for her cooking and organisational skills - the jacket potatoes were a huge hit. Well done Lyndie. Feedback has been very good, the George Town riders enjoyed the day and appreciated the invite. Thank you to Helen McGregor for her tremendous effort in obtaining instructors at such short notice. Saturday 10 Rally - we were unable to get instructors for our rally due to the Launceston Show. A massive thank you to Debbie Loosmore and Lisa Wilson for volunteering their time and Bec Sullivan. I am sure all the riders had a great day. Special thanks also to Graeme Loosmore and Scott Reader for the maintenance they did. We are intending to have riders represent the club at the Scottsdale Show this year. Uniforms are being organised so if you need a jumper, brow band or saddle blanket please contact us. If you are at the Show on Friday 14 come along and support the club. Should be a great day and hope to see you all there. Lastly we have also been busy organising the Tom Johnston camp which is coming up on November 1 & 2. Two riders who are up to C standard from each club in the Northern Zone are invited to attend the camp. NEPC attendees will be Stephanie Loosmore and Ashley Reader. What a busy time - the committee appreciates everyone's help. Thank you.
