Another great camp! Thanks to our instructors; Carol Hobson, Alison Vander Vlist, Melissa Jones, Charley Freeman Finn, Susan Hayward, Barry Harper and Warrick Morgan. Thank you to our dedicated committee members and camp volunteers - a fantastic group of parents who pitch in to make Pony Camps a rewarding experience for all. And lastly to our riders—what a great bunch! Heaps of laughs too as our budding young magician spun his magic again and entertained us with his wit and never-fail-to-amaze-tricks.

There are some items left behind; a rugby top, riding hat, 2 zip front jackets, 1 lead rope and has anyone mistakenly taken home a 12' lead, white with blue fleck, leather tips with a bull clip? Please check your gear.

Barry was inspirational in his talk/DVD on state games. Keen riders enjoyed a taster lesson on the 'how-to' of playing games. Barry will be coming to rallies when possible. Who is interested in being part of a team or just learning alongside our team? Speak up.

There is 2 ODE's coming up in the north - Lilydale and Launceston PC - see calendar for details.. Also the Chudleigh Show 21st Feb and Exeter Show 28th Feb. And don't forget the Mountain Cattleman's next week-end—programs available at Saddleries.
